“Spirit AeroSystems Temporary LAY-OFF NOTICE”

March 8, 2016

Dear Sisters and Brothers of IAMAW District Lodge 70/ Local Lodge 839

Subject: Spirit AeroSystems Temporary LAY-OFF NOTICE

The IAM was notified late yesterday (March 7, 2016) in a meeting in which your leadership team requested with Spirit AeroSystems Labor Relations, to be briefed regarding the announcement of the Temporary Layoffs. We have expressed our complete disagreement with the Company in failing to follow the agreement related to Article 17 concerning notifications, discussions and consideration of alternative ways to avoid temporary lay-offs.

Additionally, we have requested the information that we are entitled to as per the contract language related to the “company’s condition, projections and plans”. The Company will be updating us not later than this Thursday with our request and additional meetings in the future.

As soon as we have additional information, we will communicate this to our members.

In Solidarity,

Your Assigned Business Reps
