Dear Union Family:

**SECRETARY TREASURER
SUSAN THOMPSON**

Recently, the company has begun a new strategy for their ongoing and self-inflicted, production problems. It has come to our attention, Spirit is requesting volunteers from our IAM represented workforce, to temporarily work for outside vendors, to help with their scheduling and quality issues. Brothers and Sisters, in the opinion of the current District leadership team: **THIS IS WRONG!**

This company is not working with the Union, and if you volunteer to provide vendor work for Spirit, it has the potential to fall under the "New Assignments" clause in SEC 5.13 of our CBA. This means you could be subject to the prevailing wage of what that vendor pays their employees. If this issue becomes reality it potentially could cause an overpayment and they will take that money back!
