## Address Update Form

Dear Brothers and Sisters,

Communication is still the key even in today's world of technology. Keeping our membership up-to-date on the latest happening in our great Union is quite a task given the many means of communication we have today at our disposal. We are asking you to take a few minutes out of your day and fill out this address update form so we can keep our records up-to-date. By providing us this information we will be able to keep you informed of changes in our industries, elections, meeting notices, and special called meetings when needed.
